

Jigsaw Topic: \_\_\_\_\_

**Expert Collaboration Guide**

Now that you have read your article and selected the facts you would like to share with your home group, have a discussion with the other experts at your table:

1. Take turns sharing the 6 facts you selected.
2. While you are listening to other experts, write down any information you hear that you a) did not read in your article or b) did not include as one of your 6 facts.
